

Short Term Mission Fund (STMF)

Support request form

This form is to assist the requestor and the Windom Evangelical Free Short Term Missions Board in understanding the purpose for this request. The purpose of the trip should be in line with our overall church vision statement. The under-lying purpose must be to make disciples of Jesus Christ. Each request will be reviewed in a timely fashion. Although the purpose and intent of your request may be wholesome, God-honoring, and Kingdom building, the availability of funds may not allow us to provide financial support. Thanks for your desire to pursue completion of the Great Commission and for completing this form!
